Dear Mr. Frank:

How would you like to cut your printing costs by more than 40 percent per month? Give us a few minutes of your time and we' ll show you how.

We' ll review every facet of your current system and analyze its strengths and weaknesses. We' ll look at a comparison of costs for other businesses of your size and provide a comprehensive report of short and long-term actions that will generate substantial savings for your company.

The enclosed proposal outlines the details of what we' ll do and how successful we' ve been at doing this for other

businesses. In fact, we guarantee you' ll save no less than 10 percent per year savings as a result of our efforts.

I' ll call after you' ve had a chance to review our proposal.

Sincerely,
